

## Booking your pre-paid Season Ticket seat(s) via TicketSource

1. Take note of your unique Discount Code and the Priority Access password that you will receive via email ahead of bookings opening to the general public.

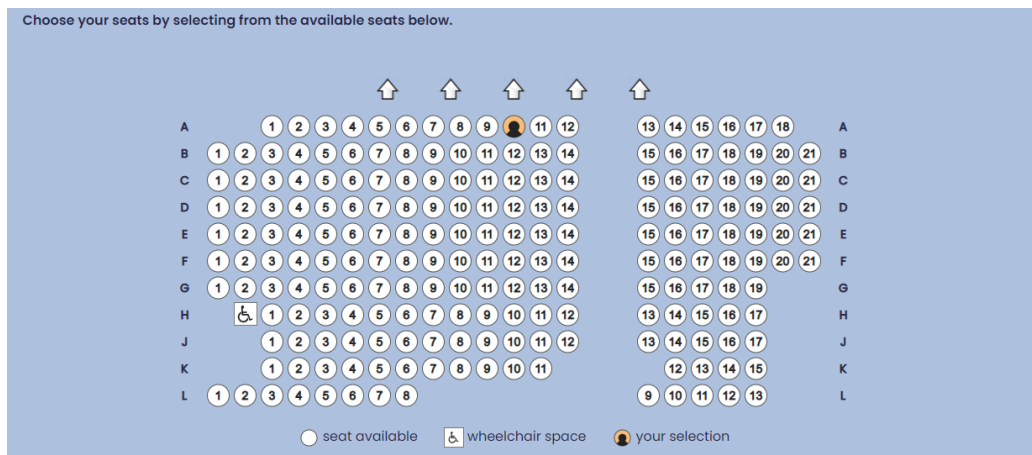

2. Ensure you make your booking in the Priority Access period – we cannot guarantee you will be able to get your seat and date preferences if you book outside of this period – please refer to our Terms & Conditions.
3. Go to [www.ticketsource.co.uk/summerseatplayers](http://www.ticketsource.co.uk/summerseatplayers) to secure your seat. Click 'Book Now' on your chosen performance night to proceed.
4. Select the correct number of Season Ticket seats that you have pre-purchased. *N.B. You will note that the price per ticket is shown at the full price of £12 per seat, plus booking fee. HOWEVER, your discount code will enable you to book the required amount of seats for 'free' (as you have prepaid), and without any booking fee.*

Please select the correct number of seats required, **ENTER THE PASSWORD YOU HAVE BEEN PROVIDED WITH FOR PRIORITY BOOKING**, and then click the 'Next' button at the bottom of the screen.
